Description:

The definitive history of Western music, now with Total Access.

Combining current scholarship with cutting-edge pedagogy, the Ninth Edition of *A History of Western Music* is the text that students and professors have trusted for generations. Because

listening is central to music history, the new Total Access program provides a full suite of media resources—including an ebook and premium streaming recordings of the entire *Norton Anthology of Western Music* repertoire—with every new text. Combining thoughtful revisions—particularly to chapters on the twentieth and twenty-first centuries—with exceptional media resources, *A History of Western Music* provides all the resources that students need in a text that will last a lifetime.
