Description:

Review Is Miranda Hart a National Treasure yet? If not, it can only be a year or two before she joins Stephen Fry and Alan Bennett in the trophy cabinet of the country's affections... That personality and voice belong to a uniquely cherished comedian, and the answer to that question in her title is actually, yes - it is just her. Because there's nobody like Miranda. Daily Mail Funny and charming and full of terrific comic ideas... Unlike most comedians, she can actually write... Every Christmas there is, at the very most, one celeb book that is genuinely worth buying and reading. Here is this year's. Accept no substitutes. The Spectator 'As you'd expect, it's very funny indeed... we applaud this bumbling, childish and splendid attempt to create such a guide, which includes Miranda verbally sparring with her 18-year-old self' ***** Heat 'Miranda Hart will carry you along with the sheer force of her charm, bumbling cheer and charisma'. Sunday Express I can't wait to get my hands on a copy of Miranda Hart's new book - we should all embrace our inner Miranda gene and learn to laugh at ourselves. Daily Express Comedy queen Miranda recalls the awkward experiences she has

encountered over the years and gives her unique thoughts and advice on dealing with them... Warning: you will laugh out loud on public transport while reading this! ***** Closer Navigate the awkwardness of adult life with Miranda Hart's *Is It Just Me?* Grazia This is pure, unadulterated, totally genius, Miranda. A cult (would religion be too weighty a word?) must surely follow, where can we get the T-shirt? Red Online In her brilliantly funny book, TV's Miranda muses on some of the most challenging, baffling and 'hideola' aspects of life... all the anecdotes are told in her unique style, with regular interjections from her 18-year-old self. Such fun! ***** Star 'Before reading this, we didn't know the meaning of embarrassing'. Now 'No one explores the intricacies and agonies of social embarrassment better than Hart'. Sunday Telegraph 'It's an autobiography but not as we know it - rather than digging up demons and skeletons past, the light-hearted tone feels like catching up with an old friend over a pot of tea'. The Big Issue The best thing about her book is its universality - it is stuffed with the kind of events with which almost every reader will identify - sometimes with a groan of horrified recognition. The Lady There's probably a bit of Miranda in all of us, and maybe that's why we warm to her. Bear with, bear with, it's hilarious. Woman Funniest book I've read. Company It will certainly raise what I call a smile in her thousands of fans. Daily Mail In a wonderfully gentle way, this is a hugely funny concept. Evening Standard Miranda Hart is the best thing to have happened to British comedy for years, and if you're a fan of her TV series you'll love this book. Mail On Sunday --This text refers to an alternate edition.

About the Author

Miranda Hart is a comedian who has appeared in such show as *Absolutely Fabulous*, *Call the Midwife*, and *French and Saunders*, and has been interviewed on *Late Night with Jimmy Fallon*. Her sitcom *Miranda* has earned four BAFTA nominations and four British Comedy Awards. --This text refers to an alternate edition.
