**Description:**

If G.K. Chesterton's *Orthodoxy: The Romance of Faith* is, as he called it, a "slovenly autobiography," then we need more slobes in the world. This quirky, slender book describes how Chesterton came to view orthodox Catholic Christianity as the way to satisfy his personal emotional needs, in a way that would also allow him to live happily in society. Chesterton argues that people in western society need a life of "practical romance, the combination of something that is strange with something that is secure. We need so to view the world as to combine an idea of wonder and an idea of welcome." Drawing on such figures as Fra Angelico, George Bernard Shaw, and St. Paul to make his points, Chesterton argues that submission to ecclesiastical authority is the way to achieve a good and balanced life. The whole book is written in a style that is as majestic and down-to-earth as C.S. Lewis

at his best. The final chapter, called "Authority and the Adventurer," is especially persuasive. It's hard to imagine a reader who will not close the book believing, at least for the moment, that the Church will make you free. --*Michael Joseph Gross* --This text refers to an alternate edition.

**Review** "Whenever I feel my faith going dry again, I wander to a shelf and pick up a book by G.K. Chesterton."

--from the foreword by **Philip Yancey**, author of *What's So Amazing About Grace?* and *The Jesus I Never Knew*

"My favorite on the list [of top 100 spiritual classics of the twentieth century] is Chesterton's *Orthodoxy*. It offers wonderful arguments for embracing religious traditions, but it also has humor you don't typically find in religious writing."

--**Philip Zaleski**, author and journalist

Named by *Publisher's Weekly* as one of 10 "indispensable spiritual classics" of the past 1500 years.

--**Publisher's Weekly**

"Chesterton's most enduring book.... Charming."
