Review "'5' is a great book! It incorporates quotes and questions to spark your imagination as to what you would like to accomplish over the next five years...to live your life on purpose." --Rachael Ray, host of Lifetime's Rachael Ray show

We are pleased to announce that "5" has won the gold medal for top honors in the Personal

Growth/Motivation category of the Living Now Book Awards. --Independent Publisher

We sent the "5" book out to our top 500 clients. Our clients love life, work, travel, adventure, challenges, accomplishment...many asked where they could get copies for their clients. --Mark Murphy, President/CEO, Performance Media Group

The "5" book...helped me realize that in 5 years you can do a lot, a little or nothing. It got me off the treadmill of 10 hour work days and back on the road to adventure and purpose. --Laura Boro, CEO/Creative Director, Wild Things

I was moved to get 72 copies for our classrooms. So many students just live in the "now," but "5" helps inspire them for the future, to set goals and to think about what's really important in their lives. --Erin Clarke, teacher

From the Author This remarkable gift book was first introduced at Starbucks stores during the Holiday season and it sold out nationwide in a matter of days---and for good reason. "5" is not a work book, it's a play book. It's not a "here's how" book, it's a "why not?" book. You are the hero of this story. The thoughts in these pages will inspire you to look out at the next five years and be daring, bold and true to yourself. No matter what stage you are in life, this book helps you answer the questions, "What do I really want to do? What do I really want to be? What do I really want to have? Where do I really want to do?"
