About the Author Rachel Caine is the author of more than twenty novels, including the "Weather Warden" series. She was born at White Sands Missile Range, which people who know her say explains a lot. She has been an accountant, a professional musician, and an insurance investigator, and still carries on a secret identity in the corporate world. She and her husband, fantasy artist R. Cat Conrad, live in Texas with their iguanas, Popeye and Darwin; a *mali uromastyx* named (appropriately) O'Malley; and a leopard tortoise named Shelley (for the poet, of course).
