Description:

Ideal for courses in contemporary moral problems, applied ethics, and introduction to ethics, *Disputed Moral Issues: A Reader*, Fourth Edition, offers a unique pedagogical approach that bridges moral theory and applied ethics. Bringing together seventy engaging articles, it also includes an accessible Moral Theory Primer (Chapter 1). Each selection is enhanced by a host of pedagogical features, including concise summaries, reader cues referring to pertinent moral theories, and reading and discussion questions. A "Quick Guide to Moral Theories" at the front of the book and an extensive glossary of key terms are also included. A "User's Guide," which follows the preface, shows instructors how they can integrate moral theories and applied ethics into their courses.
