#### Description:

Visit the Showcase Site to see sample chapters, get information on the supplements (including sample videos and online simulations), and much more.

This shorter, essentials version of Berk's best-selling *Development Through the Lifespan, 6/e*, covers

the same topics and contains the same number of chapters, but presents only the essential information with an exceptionally strong emphasis on applications. *Exploring Lifespan Development* includes all the features Berk's texts are known for: Engaging writing style, exceptional multicultural and cross-cultural focus, cutting-edge consideration of the interrelationships between heredity and environment, rich examples, the most up-to-date research, and practical applications that help students relate the subject to their personal and professional lives.

Authored by Laura Berk, MyDevelopmentLab for *Exploring Lifespan Development* engages students through personalized learning, and helps them better prepare for class, quizzes, and exams. It also helps instructors with course preparation, content delivery, and assessment. *MyDevelopmentLab* includes extensive video footage, multimedia simulations, "Careers in Development," and interactive activities—all produced by the author and unique to *Exploring Lifespan Development*.
