Description:

Review We HIGHLY recommend this book to those who are dealing with the issue of being unequally yoked in their marriage. This would also make a GREAT resource for small group Bible studies for women in similar circumstances.

If your husband is unsaved take heart. A man is most likely to be led to faith in Christ by their believing wife. The sacred Scriptures are not silent concerning your role as a believing wife with your unsaved husband. Deborah, has in *MISSION POSSIBLE*, expounded scriptures to encourage women to believe God with a radical faith for the salvation of their spouse. She helps women fulfill their role in the marriage for the salvation of their mate. Give *MISSION POSSIBLE* to any lady praying for the salvation of her husband. In Jesus, - Scott Yirka, Pastor/Teacher Hibernia Baptist Church Fleming Island, FL --Publisher's website

As a Christ-centered Counselor in ministry for over 25 years, I find *Mission Possible* to be an important must read book for those who find themselves in a marriage where one partner is saved and the other is not. This would be the beginning of embracing Christ as Husband, and dying to self trying to change the earthly partner. It is in that surrender that one finds true peace and Christ can become Life. So many marriages go under because no one wants to embrace Galatians 2:20, that the life we now live, we live by *THE FAITH OF THE SON OF GOD* who *LOVED US* and *GAVE HIMSELF* for us. Only when we understand that it is His Faith, not ours, do we begin to appropriate the Word as living reality. Deborah does an excellent job delivering this message. I can only add a word of caution: That is when one is in an abusive relationship where there is physical and mental harm, one is free to depart. Departure is not then necessarily the end, but a time to rest while He works and reveals Truth...Truth that will set you free! Drucilla Graham, M.A., Pres. Faith Fellowship Ministries, Inc. From the Author *Women, are you in an unequally-yoked marriage? Are you tired of attending church alone? Do you yearn for a relationship with your husband that's spiritually satisfying? You can influence your home for Christ even within a spiritually mismatched marriage.*

This book was written during an intense season of intercessory prayer and conveys what I felt God was leading me to pray for my husband. It was written to bring hope and encouragement to anyone in a spiritually mismatched marriage.
