Description:

Review "The text is superb . . . the critical introduction is predictably smart and engaging, exactly the sort of essay one would recommend to students."—Eric Rasmussen, *Shakespeare Survey* "The notes are a pleasure to read; glosses are adept and concise, without windy disquisitions on alternative meanings. Many longer entries are fascinating...Graceful concision also marks the notes

on performance and theatrical history...Deftly deploys a combination of linguistic and literary analysis, theater history, and textual commentary...give[s] the reader a sense of the whole play as alive and ever changing, with many intriguing possibilities for interpretation, capably set out within the frame she has created."—*Shakespeare Quarterly* --This text refers to the edition.

From the Inside Flap (back cover)

SHAKESPEARE MADE EASY

Modernized by Christina Lacie, M.A.

Much Ado About Nothing

IN LANGUAGE EVERYONE CAN UNDERSTAND

In one of Shakespeare's most engaging romantic comedies, Benedick is amused to learn that his friend Claudio plans to marry the lovely noblewoman Hero. Benedick, who insists that he will never get married, soon finds himself constantly quarreling with sharp-tongued Beatrice, Hero's beautiful cousin. The plot thickens when the scheming Don John slanders Hero in a spiteful attempt to bring unhappiness to the lovers. Finally a grand masquerade ball provides the setting for an amusing muddle of mistaken identities. True love triumphs at last for Claudio and Hero--and also for Beatrice and Benedick.

The complete original text is laid out side by side with the full modern translation. *Shakespeare Made Easy* titles are ideal for quick reference and understanding, whether you are reading Shakespeare for pleasure, or studying for an examination.

Also Available in this series:

Hamlet * Henry IV, Part One * Julius Caesar * King Lear * Macbeth * The Merchant of Venice * A Midsummer Night's Dream * Othello * Romeo and Juliet * The Taming of the Shrew * The Tempest * Twelfth Night --This text refers to the edition.
