Description:

Escape the Grip of Drama and Take Control of Your Life

The Power of TED* (*The Empowerment Dynamic) is a fable on self-leadership, because how you lead your own life has everything to do with how you lead in other areas. It is a tool for both

individuals and organizations who want to create more effective communication and relationships. Learning how to transform everyday drama and opt for more growth-oriented solutions, is the priceless gift it teaches.

As you walk with David, the main character, he shares how he is feeling victimized by life. Through serendipity he meets some wise guides, Ted and Sophia, who show David how he can move from feeling like a Victim to being a Creator of his own life.

The Power of TED* offers a powerful alternative to the Karpman Drama Triangle with its roles of Victim, Persecutor, and Rescuer. The Empowerment Dynamic (TED) provides the antidote roles of Creator, Challenger and Coach and a more positive approach to life's challenges.

The teaching story provides a guide for learning and growing through the challenges we all face in our lives. Its message resonates with everyone who, at some time in their lives, feel victimized by their situation.

Having helped thousands of people and scores of organizations over the past decade, The Power of TED* (*The Empowerment Dynamic) is being published in this 10th Anniversary Edition to convey a very timely message of hope that all of life, whether at home or work, can be transformed to create satisfying and fulfilling relationships.

Its message is needed now more than ever.

The 10th Anniversary Edition retains the powerful leadership story and adds three new sections:

1. A new Foreword by Lisa Lahey, Ed D, Harvard Graduate School of Education

2. New Study Questions for the Journey

It's no exaggeration to say that our world would be a better place if everyone read it. Lisa Lahey, Harvard Graduate School of Education; co-author, *Immunity to Change*, and *An Everyone Culture*

The Empowerment Triangle is a highly original and effective escape from the Drama Triangle. Stephen Karpman, M.D., originator of the Karpman Drama Triangle

When practical advice meets profound, yet simple, explanations for human behavior, we can learn, change, and grow. Annie McKee; co-author *Becoming a Resonant Leader*, *Resonant Leadership*, and *Primal Leadership*

Reading TED* is like having a private session with a gifted spiritual teacher and coach: as you make this delightful journey, you awaken to powerful new possibilities. Jennifer Loudon, author of *Comfort Secrets of Busy Women* and the *Comfort Book series*

This powerful little book points the way toward a hugely fulfilling life of empowering relationships at work, at home, in the whole of your life. Gay Hendricks, Ph.D. and Kathlyn Hendricks, Ph.D., authors of Conscious Loving

Don't miss this valuable book! Scott Blanchard, co-author Leverage Your Best, Ditch the Rest
