Description:

Review "John W. Price has written a marvelous book, *Revealing Heaven*, that uses the lessons brought back by many 'near-death' soul journeyers to help steer the Christian viewpoint into alignment with the knowing that so many share today: we are so much more than our physical bodies." (Eben Alexander, M.D., author of the #1 *New York Times* bestseller *Proof of Heaven: A Neurosurgeon's Journey into the Afterlife*)

"A must read for anyone interested in heaven or near-death experiences, *Revealing Heaven* is a

powerful and exceptionally well-written book. The Reverend John Price has heard over 100 people narrate their near-death experiences and his insights are both informative and profoundly inspirational." (Jeffrey Long, MD, author of the *New York Times* bestselling *Evidence of the Afterlife: The Science of Near-Death Experiences*)

"A compelling book." (Guideposts)

"This is a well written book taking the form of stories more than a theological treatise. It is a small book but one I suspect will give encouragement and hope to many who read it." (Provocative Christian Living blog)

Can Christians Trust Tales from Heaven? Yes!

Millions have read the testimonies of those who have been to heaven and returned. But what do these stories mean for Christians? How do they fit with what the Bible teaches? What do they say about who goes to heaven? Debate has raged throughout the church about whether we should trust these testimonies, since they don't always align with what we think the Bible teaches. Reverend John Price, a pastor who has been a pioneer in integrating near-death accounts into ministry, surveys the Bible and Christian doctrines to discover that these firsthand accounts of encounters with God are fully compatible with Christian spirituality.

Price began his ministry not believing in heaven. In *Revealing Heaven*, after hearing over two hundred accounts of near-death experiences, Price narrates the stories of those who helped change his mind and now makes a case not only for why Christians can trust near-death accounts but for why we should treat these amazing stories as precious gifts from God.
