BECOME A **More Confident,  
More Successful Cook**

AMERICA'S TEST KITCHEN has been teaching America how to cook for more than 20 years. In this landmark book, the test kitchen experts share everything they know—all the novel techniques, the clever tips, and, of course, all the very best recipes.

#### See How It's Really Done

There's no better way to learn than seeing an expert in action. Photographs demonstrate core techniques like frosting a cake, making an omelette, and carving a roast. Complicated recipes become approachable when you see every step from start to finish.

#### Raise Your Kitchen IQ

Learn which knives you really need (and which you don't) as well as how to keep them sharp. Which pans and pots should you own now? It's all in the Cooking Basics chapter, along with product recommendations for quality staples.

#### Sharpen Your Skills

How can you tell when a pan is the right temperature for searing? What's the secret to chocolate desserts with intense flavor? There's a way to measure a dish that's too salty or too spicy. We share the test kitchen's secrets for making food taste better.

#### Master Revolutionary Techniques

The test kitchen is famous for groundbreaking techniques that make recipes simpler and better. Learn why roasts in the oven or broiler are cooked and how to bring in the way to perfectly cooked pork chops, chicken breasts, and steaks.

#### ABOUT AMERICA'S TEST KITCHEN

Now in its thirtieth year, America's Test Kitchen, the most-trusted cooking site in public kitchens, has been named the most trusted source for home cooks. The test kitchen team recently launched an interactive online cooking school that offers more than 100 classes taught by test kitchen experts. Try it free at [CookingClassroom.com](http://CookingClassroom.com).

## Description:

**A landmark book from the test kitchen that has been teaching America how to cook for 20 years.**

We launched the America's Test Kitchen Cooking School two years ago to teach home cooks how to cook the test kitchen way, and since then thousands of students have

taken our interactive video-based online courses. The America's Test Kitchen Cooking School Cookbook shares the same goal as our online school and brings all our best practices—along with 600 all-time favorite recipes—into one place so that you can become a better, more confident cook. There is no better way to learn than seeing an expert in action, so we've included over 2,500 color photos that bring you into the test kitchen so you can see how to prepare recipes step-by-step. The book starts off with an exhaustive 46-page Cooking Basics chapter that covers everything from what equipment you need (and how to care for it) to test-kitchen tricks for how to make food taste better. Then we move on to cover all the major cooking and baking categories, from meat, poultry, and pasta to breads, cakes, and pies.

Illustrated Core Techniques, like how to whip egg whites, roast a chicken, or bake flawless pie dough, focus on the building block recipes everyone should know. Recipe Tutorials that each feature 20-35 color photos then walk readers through recipes that are either more complicated or simply benefit from the visual clues of step photography, like Extra-Crunchy Fried Chicken, Sticky Buns with Pecans, and Deep-Dish Apple Pie. Every chapter ends with a library of the test kitchen's all-time favorite recipes, such as Pan-Seared Steaks with Red Wine Pan Sauce, Meatballs and Marinara, Best Vegetarian Chili, Memphis-Style Barbecued Ribs, and New York-Style Cheesecake—more than 600 in total—that will allow home cooks to expand their repertoire.

The America's Test Kitchen Cooking School Cookbook is a how-to-cook book that also explains why recipes succeed or fail, which makes it the ideal book for anyone looking to cook better.
