**Description:**

**Review** *"An imaginative picture book for tiny tykes that entertainingly addresses how babies are*

*made without resorting to biological terminology." - Kirkus Reviews*

*"A ready answer to a really tough question. That's something Mamas and Babies definitely gotta have." - Babiesgottahave.com*

*"If you're a parent of little ones, I highly recommend this book. It's funny, exciting for the younger ones, colorful and the illustration is quite similar to a video game, which my daughter loved. I'm sure this book will be her daily night-time read." - newyorkchica.com*

*"This title will become a standard for all public library collections and preschool-1 collections." - School Library Journal*

*"We Made You Out of Love is our kids version of the birds and the bees story. This story is humorous, fun and enjoyable for the whole family. Every child will ask at some point how they were made, well moms & dads here is your answer." - mothersofthevalley.blogspot.com*

**From the Back Cover** Jeffery was a happy, content little boy, until the day he stumbled upon the greatest mystery of all...THE STORY OF HIS BIRTH! Now, join him and his family as they travel through Jeffery's imagination, battling giant robots, discovering slimy aliens and uncovering magical gingerbread men...all while trying to uncover where it is Jeffery actually came from.

Board-certified pediatrician Dr. Greg Marconi and Michael Marconi have crafted a funny, exciting, and heartwarming story that will give children a satisfying answer to the question: "Where did I come from?" years before they are ready to learn about the facts of life.
