Description:

White Feather is the only authorized biography of Gunnery Sergeant Carlos Hathcock II, who was recognized as the most successful sniper in the Vietnam War with more than 93 confirmed kills. The book White Feather is written by brothers Roy and Norm Chandler, who publish military shooting publications through Iron Brigade Publishing, a Jacksonville, North Carolina based corporation. As Marine Sniper, a best seller for nine years relayed his heroism in Vietnam, White Feather covers Carlos' entire career and the other details not found in any other title. Written in true "Chandler" format, this

volume covers, from beginning to end, the story and tales of a true Marine Corps legend and last American Hero. As far as biographies go, this book will forever immortalize Hathcock, who passed away Feb. 1999.
