From the Back Cover Are you ready to take bold steps toward living in peace, joy, and serenity?

Make the choice for conscious living.

Twenty-two simple but powerful tools that require no props, no rituals, no religious beliefs, and can be easily incorporated into your day-to-day activities.

Stop living a life driven by repetitive thinking, reliving the past, speculating about the future, and being paralyzed by the fear of change.

These habits only create suffering and pain - transform them to transform your life!
