**Description:**

**About the Author** Jessica Wood writes new adult contemporary romance. Her debut book, A Night To Forget, was released on June 20, 2013. This is book one of the two-book series called Emma's Story. If you enjoy this book, please like and follow her on her Facebook page: facebook.com/jessicawoodauthor. Book two of this series, The Day To Remember is scheduled to be released on August 19, 2013.

While Jessica has lived in countless cities throughout the U.S., her heart belongs to San Francisco. To her, there's something seductively romantic about the Golden Gate Bridge, the steep rolling hills of the city streets, the cable cars, and the Victorian-style architecture.

She loves to travel internationally, and tries to plan a yearly trip abroad. She also loves to cook and bake, and--to the benefit of her friends--she loves to share. She also enjoys ceramics and being creative with her hands. She has a weakness for good (maybe bad) TV shows; she's up-to-date on over 25 current shows, and no, that wasn't a joke. And it goes without saying, she loves books--they're like old and dear friends who have always been there to make her laugh and make her cry. The one thing she wishes she had more of, is time.
