**Description:**

“[Eric Hoffer] is a student of extraordinary perception and insight. The range of his reading and research is vast, amazing. [*The True Believer* is] one of the most provocative books of our immediate

day.”—*Christian Science Monitor*

The famous bestseller with “concise insight into what drives the mind of the fanatic and the dynamics of a mass movement” (*Wall St. Journal*) by Presidential Medal of Freedom recipient Eric Hoffer, *The True Believer* is a landmark in the field of social psychology, and even more relevant today than ever before in history. Called a “brilliant and original inquiry” and “a genuine contribution to our social thought” by Arthur Schlesinger, Jr., *The True Believer* is mandatory reading for anyone interested in the machinations by which an individual becomes a fanatic.
